Volunteer Checklist

In preparation for an emergency deployment, it is imperative that our volunteers have a plan in place at home. Volunteers should prepare to be away from home for 24-72 hours.

- Let others know when you left and where you are going
- Make arrangements for pets
- Arrange for childcare, if needed
- Refill all medications and have them available to you
- Make sure there is sufficient food and water available in your home
- Fuel up your vehicle(s)
- Secure your home
- Charge electronics
- Have flashlights and batteries available for power outages
- Prepare to wear HRERT attire and badge when activated
